To the Board of Directors of GMR Airports Limited

Qualified Opinion

- We have audited the accompanying standalone annual financial results ('the Statement') of GMR Airports Limited ('the Company') for the year ended 31 March 2024, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
- 2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
 - (i) presents financial results in accordance with the requirements of Regulation 52 of the Listing Regulations, except for the effects of the matter described in paragraph 3 below; and
 - (ii) gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 ('the Act'), read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India, of the standalone net loss after tax and other comprehensive income and other financial information of the Company for the year ended 31 March 2024 except for the effects of the matter described in paragraph 3 below.

Basis for Qualified Opinion

3. As detailed in note 7 to the Statement, the Company has issued Bonus Compulsorily Convertible Preference Shares Series A, Series B, Series C and Series D (hereinafter together referred as "Bonus CCPS") to shareholders of the Company pursuant to the terms of the Shareholders' Agreement entered between the shareholders of the Company, the Company and Aéroports de Paris S.A which are being carried at face value. In our opinion, basis the terms of such Bonus CCPS, the accounting treatment is not in accordance with Ind AS 109, Financial Instruments, as the liability towards these Bonus CCPS should be recognised at their fair value. Had the Company applied the appropriate accounting treatment for these Bonus CCPS, 'Other equity' would have been lower by Rs. 688.74 crore (31 March 2023: Rs. 497.34 crore), and 'Other financial liabilities' would have been higher by Rs. 688.74 crore as at 31 March 2024 (31 March 2023: Rs. 497.34 crore).

The opinion expressed by us, in our audit report dated May 29, 2024 for the year ended 31 March 2024 was also qualified in respect of above matter.

4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our qualified opinion.

Auditor's Responsibilities for the Audit of the Statement

- 9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
- 10. As part of an audit in accordance with the Standards on Auditing, specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- 11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

i. Ongoing arbitration between DIAL and AAI in relation to the payment of Monthly Annual fees for the period till the operations of DIAL reaches pre COVID 19 levels. Basis an independent legal opinion obtained by the management of DIAL, the Company is entitled to be excused from making payment of Monthly Annual fee under article 11.1.2 of OMDA to AAI on account of occurrence of Force Majeure Event under Article 16.1 of OMDA, till such time the Company achieves level of activity prevailing before occurrence of force majeure. Further, the management of DIAL had entered into a Settlement Agreement with AAI on April 25, 2022 which will govern interim workable arrangement between parties for payment of MAF. Accordingly, DIAL had started payment of monthly annual fee w.e.f. from April 01, 2022 onwards. As per the award, DIAL is excused from making payment of Annual Fee to AAI from March 19, 2020 till February 28, 2022. The matter was part heard on May 22, 2024 and is listed for final arguments on July 18, 2024.

ii. GHIAL had filed an appeal, challenging the disallowance of pre-control period losses and foreign exchange loss on external commercial borrowings, classification of revenues from ground handling, cargo and fuel farm ("CGF") as aeronautical revenues and other issues for determination of aeronautical tariff for the First Control Period ("FCP") commencing from April 01, 2011 to March 31, 2016 by Airport Economic Regulatory Authority ('AERA').

In relation to determination of tariff for the Second Control Period ("SCP"), commencing from April 01, 2016 to March 31, 2021, AERA had issued a consultation paper on November 19, 2017. However, as the aforesaid consultation paper does not address the issues arising out of the FCP, including true up for shortfall of receipt vis-a-vis entitlement for the FCP, GHIAL had filed a writ petition and obtained a stay order from the Hon'ble High Court at Hyderabad in the month of February 2018 in respect of further proceedings in determination of tariff order for the SCP. The Adjudicating Authority, Telecom Disputes Settlement Appellate Tribunal (TDSAT), in its disposal order dated March 04, 2020 has directed AERA to reconsider the issues afresh while determining the aeronautical tariff for the Third Control Period commencing ("TCP") from April 01, 2021.

During the month of August 2021, AERA has issued Tariff Order ("the Order") effective from October 01, 2021 for the TCP commencing from April 01, 2021 to March 31, 2026. GHIAL in the month of September 2021, has filed an appeal against the Order with TDSAT, as the management is of the view that AERA has not considered the BAO & C

Ľ

outstanding issues of FCP and SCP in determination of aeronautical tariff for the TCP as directed by TDSAT vide its ordered dated March 04, 2020, while continuing to charge the aeronautical tariff as determined by AERA.

During the current year, TDSAT has pronounced the Judgement and has adjudicated various issues raised by GHIAL including directing AERA to true up the pre-control period losses, to treat CGF as non-aeronautical revenue etc., in favour of GHIAL. However, TDSAT ruled in favor of AERA on certain other issues. GHIAL has filed caveat petition with the Hon'ble Supreme Court to avoid any ex-parte orders in case AERA files an appeal against the TDSAT order. Meanwhile, the management is evaluating TDSAT's decision and planning the next legal steps regarding the issues not resolved in its favour, all while adhering to the aeronautical tariff set by AERA for the TCP.

II. Audit Qualification (each audit qualification seperately) :

(i) Qualification 1

1a. Details of audit qualification:

As detailed in note 7 to the Statement, the Company has issued Bonus Compulsorily Convertible Preference Shares Series A, Series B, Series C and Series D (hereinafter together referred as "Bonus CCPS") to shareholders of the Company pursuant to the terms of the Shareholders' Agreement entered between the shareholders of the Company, the Company and Aéroports de Paris S.A which are being carried at face value. In our opinion, basis the terms of such Bonus CCPS, the accounting treatment is not in accordance with Ind AS 109, Financial Instruments, as the liability towards these Bonus CCPS should be recognised at their fair value. Had the Company applied the appropriate accounting treatment for these Bonus CCPS, 'Other equity' would have been lower by Rs. 688.74 crore (31 March 2023: Rs. 497.34 crore), and 'Other financial liabilities' would have been higher by Rs. 688.74 crore as at 31 March 2024 (31 March 2023: Rs. 497.34 crore).

b. Type of Audit Qualification : Qualified Opinion

c. Frequency of qualification: Fourth year of qualification

d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views

Management view is documented in note 7 of standalone results of the Company for the year ended March 31, 2024. As detailed in the notes, during the earlier year, the Company has issued 273,516,392 non-cumulative compulsorily convertible preference shares series A each having a face value of Rs. 10 each, for an aggregate face value of Rs. 273.52 crore as per terms of Shareholders' Agreement ('SHA') dated February 20, 2020 between the Company, Aéroports de Paris S.A. ('ADP'), GMR Airport Infrastructure Limited ('GIL') (formerly known as GMR Infrastructure Limited), and GMR Infra Services Limited ('GISL'). These CCPS are convertible into equity shares no later than November 15, 2024 in accordance with terms of SHA.

Further, during the second closing with ADP, the Company has issued Bonus CCPS series B, C and D each having a face value of Rs.10 each, for an aggregate face value of Rs.169.34 crore as per terms of the amended Shareholders agreement ('Amended SHA') dated July 7, 2020.

Bonus CCPS Series B, C and D are convertible into such number of equity shares depending on Company achieving consolidated target EBIDTA for financial year ended March 31, 2022, March 31, 2023 and March 31, 2024, as detailed in the shareholder agreement.

Bonus Compulsory Convertible Preference Shares Series A, Series B, Series C and Series D are hereinafter together referred as 'Bonus CCPS'.

All these Bonus CCPS are convertible into the equity shares of the Company as per the terms and conditions specified in the SHA and Amended SHA. These Bonus CCPS are issued to the shareholders of the Company as Bonus Shares and are non-redeemable and can only be converted into the equity shares of the Company. The management has chosen to record these Bonus CCPS at the face value and not at fair value in accordance with Ind As 109 'Financial Instruments', owing to the fact that the difference between the fair value and face value, being Rs.688.74 crore is notional in nature and accordingly does not impact the Other Equity, when the final conversion into equity takes place. Considering the terms of these Bonus CCPS, once converted, the requisite adjustments will be made in the Other Equity. This would be also covered in the Boards' Report to be issued pursuant to Section 134 of the Companies Act, 2013.

e. For Audit Qualification(s) where the impact is not quantified by the auditor: Not Applicable (ii) If management is unable to estimate the impact, reasons for the same: Not Applicable (iii) Auditors' Comments on (i) or (ii) above:

Independent Auditor's Report on Consolidated Annual Financial Results of the GMR Airports Limited Pursuant to the Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of GMR Airports Limited

Qualified Opinion

- 1. We have audited the accompanying consolidated annual financial results ('the Statement') of GMR Airports Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associates and joint ventures for the year ended 31 March 2024, attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
- 2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate audited financial results of the subsidiaries, associates and joint ventures, as referred to in paragraph 16 below, the Statement:
 - (i) includes the annual financial results of the entities listed in Annexure 1;
 - (ii) presents financial results in accordance with the requirements of Regulation 52 of the Listing Regulations, except for the effects of the matter described in paragraph 3 below; and
 - (iii) gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India, of the consolidated net loss after tax and other comprehensive income and other financial information of the Group, its associates and joint ventures, for the year ended 31 March 2024 except for the effects of the matter described in paragraph 3 below.

Basis for Qualified Opinion

3. As detailed in Note 5 to the Statement, the Holding Company has issued Bonus Compulsorily Convertible Preference Shares Series A, Series B, Series C and Series D (hereinafter together referred as "Bonus CCPS") to shareholders of the Holding Company pursuant to the terms of the Shareholders' Agreement entered between the shareholders of the Holding Company, the Holding Company and Aéroports de Paris S.A which are being carried at face value. In our opinion, basis the terms of such Bonus CCPS, the accounting treatment is not in accordance with Ind AS 109, Financial Instruments, as the liability towards these Bonus CCPS should be recognised at their fair value. Had the Holding Company applied the appropriate accounting treatment for these Bonus CCPS, 'Other equity' would have been lower by Rs. 688.74 crores (31 March 2023; Rs. 497.34 crore), and 'Other financial liabilities' would have been higher by Rs. 688.74 crores as at 31 March 2024 (31 March 2023; Rs. 497.34 crore).

The opinion expressed by us, in our audit report to consolidated financial statements dated 29 May 2024 for the year ended 31 March 2024 was also qualified in respect of above matter.

4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Group, its associates and joint ventures, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 16 of the Other Matter section below, is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matters

5. We draw attention to note 4 to the accompanying Statement, which describes the uncertainty relating to outcome of litigation pertaining to the costs related to procurement of security equipment, construction of residential quarters for Central Industrial Security Force deployed at the Rajiv Gandhi International Airport, Hyderabad and other costs which have been adjusted from the PSF(SC) Fund up to 31 March 2018, pending final decision from the Hon'ble High Court of Telangana and the consequential instructions from the Ministry of Civil Aviation. Our opinion is not modified in respect of this matter.

The above matter has also been reported as an emphasis of matter in the audit report dated 20 May 2024 issued by one of the joint auditor, K.S. Rao & Co. along with another joint auditor, on the financial statements for the year ended 31 March 2024 of GMR Hyderabad International Airport Limited, a subsidiary of the Holding Company.

6. We draw attention to note 2 to the accompanying Statement, in relation to ongoing litigation between the Delhi International Airport Limited (DIAL) and Airport Authority of India (AAI) in respect of Monthly Annual Fee (MAF) for the period 19 March 2020 to 28 February 2022 for which DIAL had sought to be excused from making payment to AAI as triggered from a force majeure event, which could have a significant impact on the accompanying Statement, if the potential exposure were to materialize. DIAL has received the award from the Tribunal on 6 January 2024, declaring that DIAL is excused from making payment of Annual Fee to AAI from 19 March 2020 till 28 February 2022, which has been challenged by AAI in the Hon'ble High Court of Delhi which has granted stay on the Arbitration award. The Management, based on an independent legal assessment of the Arbitration award, AAI Appeal and stay order of Hon'ble High Court, believes that DIAL has favorable case to claim relief for the period from 1 April 2020 to 28 February 2022. Our opinion is not modified in respect of this matter.

The above matter has also been reported as an emphasis of matter in the audit report dated 29 May 2024 issued by one of the joint auditor, K.S. Rao & Co. along with another joint auditor, on the standalone financial statements for the year ended 31 March 2024 of Delhi International Airport Limited, a subsidiary of the Holding Company.

- 10. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures, to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial results/ financial information/ financial
 statements of the entities within the Group, and its associates and joint ventures, to express an opinion on
 the Statement. We are responsible for the direction, supervision and performance of the audit of financial
 information of such entities included in the Statement, of which we are the independent auditors. For the
 other entities included in the Statement, which have been audited by the other auditors, such other auditors
 remain responsible for the direction, supervision and performance of the audits carried out by them. We
 remain solely responsible for our audit opinion.

GMR Airports Limited Consolidated statement of cash flows for the year ended March 31, 2024

,

Notes to the consolidated financial results for the year ended March 31, 2024

- 1. Consolidation and Segment Reporting
 - (a) GMR Airports Limited ('the Company', 'the Holding Company' or 'GAL') carries on its business through various subsidiaries, joint ventures, and associates (hereinafter referred to as 'the Group'), being special purpose vehicles exclusively formed to build and operate various airport related projects.
 - (b) The business activities of the Group fall within single business segment in terms of Ind-AS 108 'Operating Segment'.
- 2. DIAL issued various communications to Airports Authority of India ("AAI") from the month of March 2020 onwards inter-alia under Article 16 (Force Majeure) and informed AAI about the impact of Covid-19 on the Delhi International Airport and expressed its inability to perform its certain obligations under OMDA and thereby requested for excusal from payment of Monthly Annual Fee (MAF) on account of the same. The said event(s) of Force Majeure had also been admitted by AAI in its communication to DIAL. Consequently, DIAL was entitled to suspend or excuse the performance of its said obligation to pay Annual Fee/Monthly Annual Fee in accordance with OMDA, as notified to AAI. However, AAI had not agreed to such entitlement of DIAL under OMDA. This had resulted in a dispute between DIAL and AAI and for the settlement of which, DIAL had invoked on September 18, 2020 dispute resolution mechanism in terms of Article 15 of OMDA. Further, on December 02, 2020, DIAL again requested to AAI to direct the ICICI Bank (Escrow Bank) to not to transfer the amounts from Proceeds Accounts to AAI Fee Account, seeking similar treatment as granted by Hon'ble High Court of Delhi to Mumbai International Airport Limited.

In the absence of response from AAI, DIAL approached Hon'ble High Court of Delhi seeking certain interim reliefs by filing a petition under section 9 of Arbitration & Conciliation Act on December 05, 2020 due to the occurrence of Force Majeure event due to post outbreak of COVID 19 and its consequential impact on business of DIAL, against AAI and ICICI Bank (Escrow Bank). The Hon'ble High Court of Delhi vide its order dated January 05, 2021 has granted ad-interim reliefs with following directions:

- The ICICI Bank is directed to transfer back, into the Proceeds Account, any amount which may have been transferred from the Proceeds Account to the AAI Fee Account, after December 09, 2020,
- Transfer of moneys from the Proceeds Account to the AAI Fee Account, pending further orders, shall stand stayed and DIAL can use money in Proceeds Account to meet its operational expenses.

Notes to the consolidated financial results for the year ended March 31, 2024

Meanwhile with the nomination of arbitrators by DIAL and AAI and appointment of presiding arbitrator, the arbitration tribunal had been commenced from January 13, 2021. The final arguments before arbitration tribunal were concluded in March 2023.

Before DIAL's above referred section 9 petition could be finally disposed off, AAI preferred an appeal against the ad-interim order dated January 05, 2021 under section 37 of the Arbitration and Conciliation Act, 1996 before division bench of Hon'ble High Court of Delhi, these proceedings were subsequently dismissed/disposed off in view of the settlement arrived at between the DIAL and AAI.

Basis the legal opinion obtained, DIAL was entitled to not to pay the Monthly Annual fee under article 11.1.2 of OMDA to AAI being an obligation it is not in a position to perform or render on account of occurrence of Force Majeure Event, in terms of the provisions of Article 16.1 of OMDA till such time DIAL achieves level of activity prevailing before occurrence of Force majeure. Further, DIAL had also sought relief for a refund of MAF of an amount of Rs. 465.77 crore appropriated by AAI for the period starting from March 19, 2020 till December 2020.

In view of the above, the management of DIAL had not provided the Monthly Annual Fee to AAI for the period April 01, 2020 to March 31, 2022 amounting to Rs. 1,758.28 crore.

As AAI had already appropriated the Monthly Annual Fee amounting to Rs. 446.21 crore from April 01, 2020 till December 09, 2020, which DIAL had already protested. The same had been shown as Advance to AAI paid under protest. However, since the recovery of this amount was sub-judice before the Hon'ble High Court of Delhi and the arbitral tribunal, as a matter of prudence, DIAL had created a provision against above advance and shown the same in other expenses during the financial year ended March 31, 2021.

As an interim arrangement the Parties (DIAL and AAI) by mutual consent and without prejudice to their rights and contentions in the dispute before the arbitral tribunal, had entered into a settlement agreement dated April 25, 2022, for the payment of Annual Fee/ Monthly Annual Fee (AF/ MAF) with effect from April 2022, prospectively. Accordingly, DIAL has paid MAF to AAI w.e.f. April 01, 2022 onwards as per approved Business Plan.

Consequent to this interim arrangement, both DIAL and AAI had filed copy of the settlement agreement in their respective petition and appeal before Hon'ble High Court of Delhi and have withdrawn the pending proceedings. This arrangement was entirely without prejudice to the rights and contentions of the parties in respect of their respective claims and counter claims in the pending arbitration proceedings, including the

Notes to the consolidated financial results for the year ended March 31, 2024

disputes in respect of payment/ non-payment of MAF from March 19, 2020 onwards, till such time as provided in Article 16.1.5 (c) of OMDA.

The Arbitral Tribunal on January 06, 2024 (modified on January 16, 2024) has pronounced the award dated December 21, 2023. As per the award, DIAL is excused from making payment of Annual Fee to AAI from March 19, 2020 till February 28, 2022.

AAI has filed Petition under Section 34 of the Arbitration and Conciliation Act, 1996 for setting aside the Arbitral Award on April 05, 2024 in Hon'ble High Court of Delhi. The hearing in matter was held on April 29, 2024, wherein the Hon'ble High Court of Delhi has granted stay on the arbitration award subject to AAI depositing amount of Rs. 471.04 core payable to DIAL as per award within three weeks in the Hon'ble High Court of Delhi. Subsequently, AAI has deposited Rs. 471.04 crore in court on May 15, 2024. The matter was part heard on May 22, 2024 and is listed for final arguments on July 18, 2024.

In view of the favourable award and deposit of Rs. 471.04 crore made by AAI with the Hon'ble High Court of Delhi, DIAL has reversed the Provision against advance created for Rs. 446.21 crore in FY 2020-21 and is disclosed by DIAL as an "Exceptional item" during the year ended March 31, 2024.

Further, AAI has raised the invoice towards MAF of March 2022 on May 01, 2024 and requested payment along with interest, DIAL has paid MAF and interest to AAI on May 06, 2024. Accordingly, the amount of Rs. 156.81 crore for MAF of March 2022 and Rs. 8.03 crore for interest till March 31, 2024 is disclosed by DIAL as an "Exceptional item" during the year ended March 31, 2024.

3. (a) In case of GMR Hyderabad International Airport Limited ('GHIAL'), a subsidiary of the Company, had filed an appeal, challenging the disallowance of pre-control period losses and foreign exchange loss on external commercial borrowings, classification of revenues from ground handling, cargo and fuel farm as aeronautical revenues and other issues for determination of aeronautical tariff for the First Control Period ("FCP") commencing from April 01, 2011 to March 31, 2016 by Airport Economic Regulatory Authority ('AERA').

In relation to determination of tariff for the Second Control Period ("SCP"), commencing from April 01, 2016 to March 31, 2021, AERA had issued a consultation paper on November 19, 2017. However, as the aforesaid consultation paper does not address the issues arising out of the FCP, including true up for shortfall of receipt vis-a-vis entitlement for the FCP, GHIAL had filed a writ petition and obtained a stay order from the Hon'ble High Court at Hyderabad in the month of February 2018 in respect of further proceedings in determination of tariff order for the SCP. The Adjudicating Authority, Telecom Disputes Settlement Appellate Tribunal

Notes to the consolidated financial results for the year ended March 31, 2024

(TDSAT), vide its order dated March 04, 2020 had directed AERA to reconsider the issues afresh while determining the aeronautical tariff for the Third Control Period commencing ("TCP") from April 01, 2021.

During the month of August 2021, AERA has issued Tariff Order ("the Order") effective from October 01, 2021 for the TCP commencing from April 01, 2021 to March 31, 2026. GHIAL in the month of September 2021, had filed an appeal against the Order with TDSAT, as the management was of the view that AERA has not considered the outstanding issues of FCP and SCP in determination of aeronautical tariff for the TCP as directed by TDSAT vide its ordered dated March 04, 2020, while continuing to charge the aeronautical tariff as determined by AERA.

During the current year, TDSAT has pronounced the Judgement and has adjudicated various issues raised by GHIAL including directing AERA to true up the pre-control period losses, to treat CGF as non-aeronautical revenue etc., in favor of GHIAL. However, TDSAT ruled in favour of AERA on certain other issues. GHIAL has filed caveat petition with the Hon'ble Supreme Court to avoid any ex-parte orders in case AERA files an appeal against the TDSAT order. Meanwhile, the management is evaluating TDSAT's decision and planning the next legal steps regarding the issues not resolved in its favour, all while adhering to the aeronautical tariff set by AERA for the TCP.

(b) In case of DIAL AERA has issued tariff order no 57/2020-21 for third control period ("CP3") starting from April 01, 2019 to March 31, 2024 on December 30, 2020 allowing DIAL to continue with Base Airport Charges ("BAC") +10% tariff for the balance period of third control period. AERA has also allowed compensatory tariff in lieu of Fuel Throughput Charges w.e.f. February 01, 2021 for the balance period of third control period. DIAL had also filed an appeal against some of AERA's decision in third control period order on January 29, 2021 with TDSAT. As per the AERA Order no. 40/2023-24 dated March 15, 2024, the existing tariff as applicable as on March 31, 2024, is extended on interim basis for a further period of six months or till the determination of regular tariffs for the fourth Control Period ("CP4") starting from April I, 2024 to March 31, 2029.

DIAL had also filed an appeal against the second control period ("CP2") before the TDSAT. Also, DIAL in respect of TDSAT order against first Control period appeal dated April 23, 2018 had filed a limited appeal in the Hon'ble Supreme Court of India on July 21, 2018 in respect of which judgement pronounced on July 11, 2022, citing that all appeals are distnissed, except on the issue relating to corporate tax pertaining to aeronautical services, where DIAL's contention had been accepted that the Annual Fee paid by DIAL should not be deducted from expenses pertaining to aeronautical services before calculating the 'T' (tax) element in the formula.

Notes to the consolidated financial results for the year ended March 31, 2024

TDSAT at the request of AERA and concurred by DIAL had agreed and tagged CP2 appeal with CP3 appeal. The arguments are concluded in the matter and DIAL had made written submissions on May 23, 2023. The final order was pronounced on July 21, 2023. TDSAT in its order has allowed certain claims of DIAL and disallowed certain others.

AERA has filed an appeal before the Hon'ble Supreme Court on October 19, 2023 against the judgement dated July 21, 2023 passed by TDSAT. The matter was heard on March 11, 2024 and listed for arguments on August 6, 2024.

4. (a) The Ministry of Civil Aviation (MoCA) had issued orders in 2014, requiring the Airport Operators to reverse the expenditure incurred from PSF (SC) Fund towards (a) procurement and maintenance of security systems/equipment; (b) construction of other long lived assets (refer note (b) below) along with interest till date of reversal. GHIAL had utilised approximately Rs.142.00 crore towards the aforesaid expenses till March 31, 2018, excluding related maintenance expense, other costs and interest thereon which is presently unascertainable. The Comptroller and Auditor General, during their audits of PSF (SC) fund, observed that the funds utilised by GHIAL is contrary to the directions issued by MoCA. The Management is of the opinion that the utilisation of funds from PSF(SC) escrow account is consistent with the Standard Operating Procedures, guidelines and clarification issued by the MoCA from time to time on the subject of utilization of PSF (SC) funds.

As the above order, in management's opinion, is contrary to and inconsistent with SOPs, guidelines and clarification issued by the MoCA from time to time in this regard, GHIAL had challenged the said order vide writ petition before the Hon'ble High court of Andhra Pradesh. The Hon'ble High Court, vide its order dated March 03, 2014 followed by further clarifications dated April 28, 2014 and December 24, 2014, stayed the MoCA order with an undertaking that, in the event the decision of the writ petition goes against GHIAL it shall restore the PSF (SC) Fund to this extent. The matter is currently sub judice with the Hon'ble High Court of Telangana.

Based on the internal legal assessments, GHIAL's management is of the view that no further adjustments are required to be made, in this regard to the accompanying consolidated financial results of the Group for the year ended March 31, 2024.

(b) As per the advice from the Ministry of Home Affairs and the Standard Operating Procedures ('SOP') issued by MoCA on March 06, 2002, GHIAL, through its erstwhile wholly owned subsidiary, Hyderabad Airport Security Services Limited ('HASSL' liquidated on September 20, 2019) constructed residential quarters for Central Industrial Security Forces ('CISF') deployed at the Hyderabad airport. After completion

Notes to the consolidated financial results for the year ended March 31, 2024

of such construction, the total construction cost including the cost of land and related finance cost amounting to Rs. 113.73 crore till March 31, 2018 was debited to the PSF (SC) Fund with corresponding intimation to MoCA. The Comptroller and Auditor General of India ('CAG'), during their audits of PSF (SC) Fund, observed that, GHIAL had not obtained prior approval from MoCA for incurring such cost from the PSF (SC) Fund as required by the guidelines dated January 08, 2010 and April 16, 2010 issued by MoCA. However, management of the Group is of the opinion that these guidelines were issued subsequent to the construction of the said residential quarters and approached MoCA for approval to debit such costs to the PSF (SC) Fund account. Pending final outcome of the matter from Hon'ble High Court of Telangana, residential quarters continued to be accounted under PSF(SC) Fund and no adjustments have been made to the accompanying consolidated financial results of the Group for the year ended March 31, 2024.
