Independent Auditor's Report on Standalone Annual Financial Results of GMR Airports Limited Pursuant to the Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of GMR Airports Limited

Qualified Opinion

- We have audited the accompanying standalone annual financial results ('the Statement') of GMR Airports Limited ('the Company') for the year ended 31 March 2022, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
- 2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
 - (i) presents financial results in accordance with the requirements of Regulation 52 of the Listing Regulations, except for the effects of the matter described in paragraph 3 below; and
 - (ii) gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 ('the Act'), read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India, of the standalone net loss after tax and other comprehensive income and other financial information of the Company for the year ended 31 March 2022 except for the effects of the matter described in paragraph 3 below.

Basis for Qualified Opinion

- 3. As detailed in note 7 to the Statement, the Company has issued Bonus Compulsorily Convertible Preference Shares Series A, Series B, Series C and Series D (hereinafter together referred as "Bonus CCPS") to shareholders of the Company pursuant to the terms of the Shareholders' Agreement entered between the shareholders of the Company, the Company and Aéroports de Paris S.A which are being carried at face value. In our opinion, basis the terms of such Bonus CCPS, the accounting treatment is not in accordance with Ind AS 109, Financial Instruments, as the liability towards these Bonus CCPS should be recognised at their fair value. Had the Company applied the appropriate accounting treatment for these Bonus CCPS, 'Other equity' would have been lower by Rs. 1,113.14 crore (31 March 2021: Rs. 1,271.34 crore), and 'Other financial liabilities' would have been higher by Rs. 1,113.14 crore as at 31 March 2022 (31 March 2021: Rs. 1,271.34 crore). The opinion expressed by us, in our audit report dated 31 May 2021 for the year ended 31 March 2021 was also qualified in respect of above matter.
- 4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

5. We draw attention to note 8(a) of the accompanying Statement, which describes the uncertainties due to the outbreak of Covid-19 pandemic and management's evaluation of its impact on the assumptions underlying the valuation of investments in the airport sector which are carried at fair value in the Statement as at the balance sheet date. Further, we also draw attention to note 8(b) in relation to carrying value of investments in the subsidiaries as mentioned in the aforesaid note, which are dependent on the uncertainties relating to the future outcome of the ongoing matters as further described in the aforesaid note.

Our opinion is not modified in respect of above matter.

Responsibilities of Management and Those Charged with Governance for the Statement

- 6. This Statement has been prepared on the basis of the standalone annual audited financial statements and has been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/loss and other comprehensive income and other financial information of the Company in accordance with the Ind AS specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, and in compliance with Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
- 7. In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

- 9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
- 10. As part of an audit in accordance with the Standards on Auditing, specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place an adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- 11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

AS 109 'Financial Instruments'. The difference between the fair value and face value being notional in nature, amounting to Rs. 1,113.14 crores does not impact the "Other Equity". Considering the terms of these Bonus CCPS, once converted, the requisite adjustments will be made in "Other Equity".

8. (a) With the recent and rapid development of the COVID-19 outbreak, many countries have implemented travel restrictions. The Company has majority of its investments in the Airport sector (through investments in subsidiaries/joint ventures) and with respect to COVID 19 impact on the business of these entities, management believes while the COVID 19 may impact the businesses in the short term, it does not anticipate medium to long term risk to the business prospects. Considering the business plans of the investee companies, the management does not foresee any material impact on the fair value at which the aforementioned investments are carried in the Standalone Financial Statements.

(b) Further, the carrying value of the investments in DIAL and GHIAL (both are subsidiaries of the Company) which are carried at fair value are also subject to likely outcome of ongoing litigations and claims as follows:

i. Ongoing arbitration between DIAL and AAI in relation to the payment of Monthly Annual fees for the period till the operations of DIAL reaches pre COVID 19 levels. Basis an independent legal opinion obtained by the management of DIAL, the Company is entitled to be excused from making payment of Monthly Annual fee under article 11.1.2 of OMDA to AAI on account of occurrence of Force Majeure Event under Article 16.1 of OMDA, till such time the Company achieves level of activity prevailing before occurrence of force majeure. In view of the above, the management has not considered the Annual Fee payable to AAI for the 3 months period ended March 31, 2022 in the cash flows used for the purposes of estimation of the fair value of investment made by the Company in DIAL and also considered recovery of Rs. 447 crores paid under protest in the subsequent periods. Further, Management of DIAL had entered into an Settlement Agreement with AAI on April 25, 2022 which will govern Interim workable arrangement between parties for payment of MAF.

ii. Consideration of Cargo, Ground Handling and Fuel farm ('CGHF') income as part of non-aeronautical revenue in determination of tariff by Airport Economic Regulatory Authority in case of GHIAL. GHIAL has filed appeal with Telecom Disputes Settlement Appellate Tribunal ('TDSAT') and during the previous year, the adjudicating authority, TDSAT, in its disposal order dated March 6, 2020 has directed Airport Economic Regulatory Autohrity ('AERA') to reconsider the issue afresh while determining the aeronautical tariff for the third control period commencing from April 1, 2021. In July 2020, the Company has filed an application with the AERA for determination of Aeronautical tariff for the third control period commencing from April 1, 2021 to March 31, 2026 wherein it has contended that CGHF income shall be treated as non-aero revenue. During the current year, AERA vide its order dated August 31, 2021, has issued tariff order for the third control period effective from October 1, 2021, wherein management of GHIAL is of the view that AERA has not considered the outstanding issued of First control period and second control period in determination of the aeronautical revenue for the third control period as directed by TDSAT vide its order dated March 6, 2020. Accordingly, the Company has filed as appeal against the tariff order for the third control period with TDSAT. The management has also obtained legal opinion and according to which GHIAL position is appropriate as per terms of Concession agreement and Airports Economic Regulatory Authority of India Act. 2008.

Accordingly, no adjustments to the carrying value of these investments are considered necessary. The impact of the COVID 19 pandemic and ongoing litigations might be different from that estimated as at the date of approval of these financial statements and the Company will closely monitor any material changes to the future economic conditions.

 The standalone financial results for the year ended March 31, 2022 reflected an excess of current liabilities over current assets of Rs. 1,306.72 crores. Independent Auditor's Report on Consolidated Annual Financial Results of the GMR Airports Limited Pursuant to the Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of GMR Airports Limited

Qualified Opinion

- We have audited the accompanying consolidated annual financial results ('the Statement') of GMR Airports Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associates and joint ventures for the year ended 31 March 2022, attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
- In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate audited financial results of the subsidiaries, associates and joint ventures, as referred to in paragraph 16 below, the Statement:
 - (i) includes the annual financial results of the entities listed in Annexure 1;
 - (ii) presents financial results in accordance with the requirements of Regulation 52 of the Listing Regulations, except for the effects of the matter described in paragraph 3 below; and
 - (iii) gives a true and fair view in conformity with the applicable Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India, of the consolidated net loss after tax and other comprehensive income and other financial information of the Group, its associates and joint ventures, for the year ended 31 March 2022 except for the effects of the matter described in paragraph 3 below.

Basis for Qualified Opinion

3. As detailed in Note 6 to the Statement, the Holding Company has issued Bonus Compulsorily Convertible Preference Shares Series A, Series B, Series C and Series D (hereinafter together referred as "Bonus CCPS") to shareholders of the Holding Company pursuant to the terms of the Shareholders' Agreement entered between the shareholders of the Holding Company, the Holding Company and Aéroports de Paris S.A which are being carried at face value. In our opinion, basis the terms of such Bonus CCPS, the accounting treatment is not in accordance with Ind AS 109, Financial Instruments, as the liability towards these Bonus CCPS should be recognised at their fair value. Had the Holding Company applied the appropriate accounting treatment for these Bonus CCPS, 'Other equity' would have been lower by Rs. 1,113.14 crores (31 March 2021: Rs. 1,271.34 crore), and 'Other financial liabilities' would have been higher by Rs. 1,113.14 crores as at 31 March 2022 (31 March 2021: Rs. 1,271.34 crore).

The opinion expressed by us, in our audit report dated 31 May 2021 for the year ended 31 March 2021 was also gualified in respect of above matter.

4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Group, its associates and joint ventures, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us together with the audit evidence obtained by the other auditors in terms of their reports reformed to in paragraph to or use other Matter section below, is sufficient and appropriate to provide a basis for our qualified opinion.

Notes to the consolidated annual financial results for the year ended March 31, 2022

1. Consolidation and Segment Reporting

(a) GMR Airports Limited ('the Company', 'the Holding Company' or 'GAL') carries on its business through various subsidiaries, joint ventures, jointly controlled operations and associates (hereinafter referred to as 'the Group'), being special purpose vehicles exclusively formed to build and operate various projects.

(b) The business activities of the Group fall within single business segment in terms of Ind-AS 108 'Operating Segment'.

2. (a) DIAL has entered into development agreements ("Development Agreements") with five developers collectively referred as Bharti Reality SPV's ("Developers") on March 28, 2019 ("Effective date") granting the Developers the right during the term for developing 4.89 million square feet commercial space from the Effective Date subject to the receipt of applicable permits. As per the terms of Development Agreements, DIAL was entitled to receive interest free refundable security deposit ("RSD"), advance development cost ("ADC") and the annual lease rent ("ALR") in certain manner and at certain times as stated in the respective Development Agreements.

With respect to the receipt of applicable permits, the approval of Concept Master Plan ("CMP") was received from Delhi Urban Art Commission (DUAC) in March 2021. Thereafter, a sudden surge in Covid-19 cases emerged in India affecting the entire economy. Accordingly, DIAL was not in a position to effectuate the transaction and seek payment of ALR, balance amount of RSD and ADC from the Developers until August 2021.

On August 27, 2021, basis the CMP, DIAL has entered into certain modifications w.r.t. area and date of commencement of lease rental for the three Developers. As per amended agreements, lease rentals have started with effect from September 1, 2021 for modified area of 2.73 million square feet (approx.).

Accordingly, considering the above and the amendment with three Developers as Lease Modification, lease receivables (including unbilled revenue) of Rs. 678.04 crores accrued until August 2021 shall be adjusted to balance lease period, in accordance with recognition and measurement principles under Ind AS 116 "Leases". Consequently, DIAL has also carried forward the provision of annual fee to AAI of Rs. 211.35 crores corresponding to straight lining adjustments of Ind AS 116 which will get adjusted in future in line with Lease receivables.

In respect of Development agreements with two Developers for balance area of 2.16 million square feet (approx..), the asset area will be identified by DIAL not later than February 28, 2023, as per mutual understanding vide agreement dated August 27, 2021. Accordingly, all payments will be due basis the handover of asset area. Pending identification of asset area and effectiveness of lease, DIAL has reversed the lease receivables (including unbilled revenue) of Rs. 462.33 crores pertaining to these two developers recognized earlier until August 2021 in accordance with recognition and measurement principles under Ind AS 116 "Leases". Further, DIAL has also reversed the provision of annual fee to AAI of Rs. 144.11 crores corresponding to the straight lining adjustments of Ind AS 116 recognized earlier until August 2021. Further, DIAL has also made the required adjustments of RSD as per Ind AS 109, reversing the discounting impact amounting to Rs. 6.94 crores in consolidated statement of profit and loss. The net amount of Rs. 325.16 crores is disclosed as an

"Exceptional item" in the consolidated financial results of the Group during the year ended March 31, 2022.

(b) DIAL issued various communications to AAI from the month of March 2020 onwards inter-alia under Article 16 (Force Majeure), informed AAI that consequent to outbreak of Covid-19 pandemic, the entire aviation industry, particularly the IGI Airport has been adversely affected. It was specifically communicated that the said crisis has materially and adversely affected the business of DIAL which in turn directly impacts the performance of DIAL's obligations under the OMDA (including obligation to pay Annual Fee/Monthly Annual Fee) while it is continuing to perform its obligation to operate, maintain and manage the IGI Airport. DIAL thereby invoked Force Majeure post outbreak of COVID-19 "A Pandemic" as provided under Article 16 of OMDA and claimed that it would not in a position to perform its obligation to prepare Business Plan and pay Annual Fee/ Monthly Annual fee to AAI. The said event(s) of Force Majeure has also been admitted by AAI in its communication to DIAL. Consequently, DIAL is entitled to suspend or excuse the performance of its said obligations as notified to AAI. However, AAI has not agreed to such entitlement of DIAL under OMDA. This has resulted in dispute between DIAL & AAI and for the settlement of which, DIAL has invoked on September 18, 2020 dispute resolution mechanism in terms of Article 15 of OMDA. Further, on December 02, 2020, DIAL again requested AAI to direct the Escrow Bank to not transfer the amounts from Proceeds Accounts to AAI Fee Account, seeking similar treatment as granted by Hon'ble High Court of Delhi to Mumbai International Airport Limited.

In the absence of response from AAI, DIAL approached Delhi High Court seeking certain interim reliefs by filing a petition u/s 9 of Arbitration & Conciliation Act on December 5, 2020 due to the occurrence of Force Majeure event due to outbreak of COVID 19 and its consequential impact on business of DIAL, against AAI and ICICI Bank (Escrow Bank). The Hon'ble High Court of Delhi vide its order dated January 5, 2021 has granted ad-interim reliefs with following directions:

- The ICICI Bank is directed to transfer back, into the Proceeds Account, any amount which may have been transferred from the Proceeds Account to the AAI Fee Account, after December 9, 2020,
- Transfer of moneys from the Proceeds Account to the AAI Fee Account, pending further orders, shall stand stayed and DIAL can use money in Proceeds Account to meet its operational expenses.

The said petition still is pending before Hon'ble Delhi High Court and further proceedings in it are subject to the disposal of appeal filed by AAI with divisional bench. Meanwhile with the nomination of arbitrators by DIAL and AAI and appointment of presiding arbitrator, the arbitration tribunal has been constituted on January 13, 2021. The pleadings in the matter are complete and both the parties have to file the witness affidavits by March 3, 2022 and next hearings of arbitration tribunal is fixed in May 2022.

Before DIAL's above referred section 9 petition could be finally disposed off, AAI has preferred an appeal against the ad-interim order dated January 5, 2021 under section 37 of the Arbitration and Conciliation Act, 1996 before division bench of Delhi High Court which is now listed for considerations and arguments.

In compliance with the ad-interim order dated January 5, 2021, AAI has not issued any certificate or instructions to the Escrow Bank from December 9, 2020 onwards regarding the amount of AAI Fee payable by DIAL to AAI, as contemplated under the Escrow Agreement and the OMDA. Resultantly

Notes to the consolidated annual financial results for the year ended March 31, 2022

both pursuant to the ad-interim order of Hon'ble Delhi High Court and in the absence of any certificate or instruction from AAI, the Escrow Bank has not transferred any amount pertaining to AAI Fee from Proceeds Account to AAI Fee Account of the Escrow Account from December 9, 2020 onwards.

Basis the legal opinion obtained, DIAL is entitled to not to pay the Monthly Annual fee under article 11.1.2 of OMDA to AAI being an obligation it is not in a position to perform or render on account of occurrence of Force Majeure Event, in terms of the provisions of Article 16.1 of OMDA till such time DIAL achieves level of activity prevailing before occurrence of Force majeure. Further, DIAL has also sought relief for refund of MAF of an amount of Rs. 465.77 crore appropriated by AAI for the period starting from March 19, 2020 till December 2020.

In view of the above, the management of DIAL has decided not to provide the Monthly Annual Fee to AAI for the year ended March 31, 2022 amounting to Rs. 989.59 crores in addition to Rs. 768.69 crores for F.Y. 2020-21. As AAI had already appropriated the Monthly Annual Fee amounting to Rs. 446.21 crores from April 01, 2020 till December 09, 2020, which DIAL has already protested, the same has been shown as Advance to AAI paid under protest. However, since the recovery of this amount is sub-judice before the Hon'ble Delhi High Court and the arbitral tribunal, as a matter of prudence, DIAL has decided to create a provision against above advance and shown the same in other expenses for the year ended March 31, 2021.

Subsequent to year ended March 31, 2022 as an interim arrangement the Parties (DIAL and AAI) by mutual consent and without prejudice to their rights and contentions in the dispute before the arbitrator, have entered into a Settlement Agreement (hereinafter "Agreement") dated April 25, 2022, for the payment of Annual Fee/ Monthly Annual Fee (AF/ MAF) with effect from April 2022, prospectively.

Consequent to this interim arrangement, both DIAL and AAI have filed copy of the Agreement in their respective petition and appeal before Hon'ble Delhi High Court and have withdrawn the pending proceedings. This arrangement is entirely without prejudice to the rights and contentions of the parties in respect of their respective claims and counter claims in the pending arbitration proceedings, including the disputes in respect of payment/ non-payment of MAF from March 19, 2020 onwards, till such time as provided in Article 16.1.5 (c) of OMDA.

3. (a) In case of GMR Hyderabad International Airport Limited ('GHIAL'), a subsidiary of the Company, had filed an appeal, challenging the disallowance of pre-control period losses and foreign exchange loss on external commercial borrowings, classification of revenues from ground handling, cargo and fuel farm as aeronautical revenues and other issues for determination of aeronautical tariff for the First Control Period ("FCP") commencing from April 1, 2011 to March 31, 2016 by Airport Economic Regulatory Authority ('AERA'). The Adjudicating Authority, Telecom Disputes Settlement Appellate Tribunal (TDSAT), in its disposal order dated March 06, 2020 has directed AERA to reconsider the issues afresh while determining the aeronautical tariff for the Third Control Period commencing ("TCP") from April 01, 2021.

In relation to determination of tariff for the Second Control Period ("SCP"), commencing from April 1, 2016 to March 31, 2021, AERA had issued a consultation paper on December 19, 2017. However, as the aforesaid consultation paper does not address the issues arising out of the FCP, including true

Notes to the consolidated annual financial results for the year ended March 31, 2022

up for shortfall of receipt vis-a-vis entitlement for the FCP, GHIAL had filed a writ petition and obtained a stay order from the Hon'ble High Court at Hyderabad in the month of February 2018 in respect of further proceedings in determination of tariff order for the SCP.

Consequent to the Order passed by TDSAT dated March 06, 2020, AERA, in respect of the remainder of the SCP, i.e. from April 1, 2020 to March 31, 2021, had determined the Aeronautical tariff vide its Order dated March 27, 2020. Accordingly, GHIAL has applied aeronautical tariff for determination of aeronautical revenue as per the aforesaid order for the year ended March 31, 2021 and for the year ended for the period ended 30 September 2021, pending finalization of aeronautical tariff Order for the TCP. During the period, AERA vide its Order dated 31 August 2021, has issued Tariff Order for the TCP effective from 1 October 2021 and accordingly GHIAL has applied aeronautical tariff for determination of aeronautical revenue as per the aforesaid order for the period effective 1 October 2021.

Alternatively, GHIAL has also filed an appeal against the Tariff Order for the TCP with TDSAT, as GHIAL's management is of the view that AREA has not considered the outstanding issues of FCP and SCP in determination of aeronautical tariff for the TCP as directed by TDSAT vide its ordered dated March 06, 2020.

(b) In case of DIAL AERA has issued tariff order no 57/2020-21 for third control period ("CP3") starting from April 1, 2019 to March 31, 2024 on December 30, 2020 allowing DIAL to continue with BAC+10% tariff for the balance period of third control period. AERA has also allowed compensatory tariff in lieu of Fuel Throughput Charges w.e.f. February 01, 2021 for the balance period of third control period. DIAL had also filed an appeal against some of AERA's decision in third control period order on January 29, 2021 with TDSAT.

DIAL's appeal against the second control period ("CP2") is pending before the TDSAT and the same is still to be heard which shall be heard in due course. Also, DIAL in respect of TDSAT order against first Control period appeal dated April 23, 2018 has filed a limited appeal in the Hon'ble Supreme Court of India on July 21, 2018 and same is still to be heard.

TDSAT at the request of AERA and concurred by DIAL, has agreed to tag CP2 appeal with CP3 appeal. The matter is now listed for hearing both appeals together.

4. (a) The Ministry of Civil Aviation (MoCA) had issued orders in 2014, requiring the Airport Operators to reverse the expenditure incurred from PSF (SC) Fund towards (a) procurement and maintenance of security systems/equipment; (b) construction of other long lived assets (refer note (b) below) along with interest till date of reversal. GHIAL had utilised approximately Rs.142 crores towards the above expenses, excluding related maintenance expense, other costs and interest thereon till March 31, 2018 which is presently unascertainable. Management is of the opinion that the utilisation of funds from PSF(SC) escrow account is consistent with the Standard Operating Procedures, guidelines and clarification issued by the MoCA from time to time on the subject of utilization of PSF (SC) funds.

As the above order, in management's opinion, is contrary to and inconsistent with SOPs, guidelines and clarification issued by the MoCA from time to time in this regard, GHIAL had challenged the said order before the Hon'ble High court of Andhra Pradesh. The Hon'ble High Court, vide its order

Notes to the consolidated annual financial results for the year ended March 31, 2022

dated March 3, 2014 followed by further clarifications dated April 28, 2014 and December 24, 2014, stayed the MoCA order with an undertaking that, in the event the decision of the writ petition goes against GHIAL it shall restore the PSF (SC) Fund to this extent.

Based on the internal assessments, GHIAL's management is of the view that no further adjustments are required to be made, in this regard to the accompanying consolidated financial results of the Group for the year ended March 31, 2022.

(b) As per the advice from the Ministry of Home Affairs and the Standard Operating Procedures ('SOP') issued by MoCA on March 6, 2002, GHIAL, through its erstwhile wholly owned subsidiary, Hyderabad Airport Security Services Limited ('HASSL') constructed residential quarters for Central Industrial Security Forces ('CISF') deployed at the Hyderabad airport. After completion of such construction, the total construction cost including the cost of land and related finance cost amounting to Rs. 113.73 crore was debited to the PSF (SC) Fund with corresponding intimation to MoCA. The Comptroller and Auditor General of India ('CAG'), during their audits of PSF (SC) Fund, observed that, GHIAL had not obtained prior approval from MoCA for incurring such cost from the PSF (SC) Fund as required by the guidelines dated January 8, 2010 and April 16, 2010 issued by MoCA. However, management of the Group is of the opinion that these guidelines were issued subsequent to the construction of the said residential quarters and approached MoCA for approval to debit such costs to the PSF (SC) Fund account. Further, GHIAL requested MoCA to advice the AERA for considering the cost of land/ construction and other related costs with regard to the aforesaid residential quarters in determination of Aeronautical Tariff for the Hyderabad airport. Pending final instruction from MoCA, cost of residential quarters continued to be accounted in the PSF (SC) Fund and no adjustments have been made to the accompanying consolidated financial results of the Group for the year ended March 31, 2022.

- 5. The operations of the Group, its joint ventures and associates were impacted by the Covid-19 pandemic and while the management believes that such impacts are short term in nature and doesn't anticipate any long term impact on business prospects considering the recovery was seen in past as well as during the year ended March 31, 2022. The Group based on its assessment of the business/ economic conditions and liquidity position for the next one year, expects to recover the carrying value of assets, and accordingly no material adjustments are considered necessary in the consolidated financial results. The impact of the COVID 19 pandemic might be different from that estimated as at the date of approval of these consolidated financial results and the Group will closely monitor any material changes to future economic conditions.
- 6. During the year ended March 31, 2020, the Holding Company has issued 273,516,392 non-cumulative compulsorily convertible preference shares series A each having a face value of Rs. 10 each, for an aggregate face value of INR 2,735,163,920 as per terms of Shareholders' Agreement ("SHA") dated February 20, 2020 among Company, Aéroports de Paris S.A. ('ADP'), GMR Infrastructure Limited ('GIL'), and GMR Infra Services Limited ('GISL'), and the Share Subscription and Share Purchase Agreement dated 20 February 2020 ("SSPA") entered into among ADP, GIL, GMR Infra Developers Limited, GISL and Company. These CCPS are convertible into equity shares no later than November 15, 2024 in accordance with terms of SHA.

Further, during the year ended March 31, 2021 as part of second closing with ADP, Holding Company has issued Bonus CCPS series B, C and D each having a face value of Rs. 10 each, for an aggregate face value of INR 1,693,392,470 as per terms of the revised Shareholders agreement dates
